

Triple M Farm Mariah's Mums & More, LLC

Position Title: Farm Maintenance & Equipment Operator

Start Date: Target Start: Late April/Early May

Employment Type: Hourly position with an expected schedule of approximately 30–38 hours per week.

Pay Range: Competitive rate based on experience and qualifications.

Work Schedule: Primarily weekdays.

Bonus Program: Eligible for performance-based financial rewards, employee discounts and incentives.

Position Overview

The Farm Maintenance & Equipment Operator is responsible for supporting the operational backbone of the farm by maintaining equipment, managing grounds, and assisting with field preparation and planting work. This role ensures the farm runs efficiently by keeping equipment in working order and maintaining clean, safe, and well-kept production areas. This position works closely with Ownership and the Field Operations crew.

Key Responsibilities

Equipment Operation & Maintenance

- Operate tractors, mowers, utility vehicles, and other farm equipment safely and efficiently
 - Perform routine maintenance including fueling, greasing, cleaning, and basic repairs
 - Identify and report mechanical issues; assist with repairs as needed
 - Maintain organization and cleanliness of equipment storage areas
- #### Grounds & Property Maintenance
- Mow, trim, and maintain farm grounds, roadways, and production areas
 - Ensure fields, work areas, and surrounding spaces are clean and well-kept
 - Assist with general upkeep of farm infrastructure, fencing, and workspaces

Field & Operational Support

- Prepare fields for planting including tillage, bed prep, and layout support
 - Assist with material handling such as soil, mulch, plants, and supplies
 - Support seasonal transitions (spring setup, fall breakdown, etc.)
 - Assist with special projects, builds, or infrastructure improvements
-

What Makes a Great Fit

- Mechanically inclined with hands-on problem-solving skills
 - Comfortable operating equipment or willing to learn
 - Takes pride in maintaining clean, organized, and efficient workspaces
 - Strong work ethic and reliability
 - Ability to work independently and follow direction
 - Enjoys working outdoors in varying conditions
 - Attention to detail and pride in maintaining quality.
-

Physical Requirements

- Ability to lift 50 lbs regularly
- Ability to work outdoors for extended periods
- Comfortable operating machinery and performing manual labor
- Comfortable lifting/moving/transporting products and equipment.

Team & Communication

- Strong organizational and time management skills
 - Self-starter who can work independently and collaboratively
 - Entrepreneurial approach to continuous improvement
-

Why Join Triple M Farm
