### Position Overview

Triple M Farm Mariah's Mums & More, LLC is seeking a motivated and knowledgeable **Flower Program Lead** to oversee and support the production, care, and display of our greenhouse flowers & plants, cut flower beds, and fall mums. This role also includes contributing to floral merchandising, seasonal planning, and customer-facing experiences like bouquet bars and floral arranging workshops.

The ideal candidate will bring hands-on experience in growing flowers, a strong sense of visual design, and the ability to work independently while supporting a collaborative team environment. Floral design or event/workshop experience is a major bonus, as we expand our offerings in farm-based experiences, educational events, season extension, and greenhouse capabilities.

## **Key Responsibilities**

### **Flower Production**

- Oversee the care, maintenance, productivity, harvest, and post production duties of the following floral programs: greenhouse flowers & plants, cut flowers, and fall mums
- Organize and assist the Assistant Farm Manager with planting preparation, seeding, transplanting, fertilizing, pest/disease/weed management activities
- Monitor floral program health and growing conditions; communicate any issues or improvements needed to the Assistant Farm Manager and/or ownership
- Assist with greenhouse setup, organization, and seasonal transitions

### **Harvest & Floral Merchandising**

- Design floral arrangements for retail sales or special orders
- Work with the Assistant Retail Manager and/or ownership to create and maintain fresh floral displays for retail sales
- Maintain clean and organized areas for u-cut/u-pick experiences, bouquet bars, subscriptions, retail sales, and events

### **Customer Experience & Workshops**

- Assist ownership with or lead on-farm floral arranging workshops or private events
- Support the setup and facilitation of floral-based experiences or events

### **Team & Communication**

- Provide direction to seasonal crew helping in the flower field or greenhouse
- Help train team members on proper harvesting, handling, and bouquet making techniques
- Collaborate with ownership to plan seasonal flower offerings and schedules
- Communicate needs for tools, supplies, seed orders, inventory and/ or workshop materials to the Assistant Farm Manager and/or ownership
- Communicate new product recommendations, trends, and/or event/customer feedback to ownership
- Collaborate with ownership and marketing intern to support marketing tactics
- Assist with cross-functional tasks and support other team members during peak seasons, events, or when requested by ownership

---

## **Preferred Qualifications**

- Hands-on experience in flower farming, greenhouse management, or horticulture
- Knowledge of flower varieties, post-harvest handling, and growing techniques
- Bonus: Experience with floral arranging or teaching floral design workshops
- Strong organizational and time management skills
- Self-starter who can work independently and collaboratively
- Strong eye for design and attention to detail
- Entrepreneurial approach to continuous improvement
- Comfortable working outdoors in variable weather
- Comfortable lifting/moving/transporting products
- Ability to stand or walk on feet for extended periods
- Comfortable working weekends and extended hours if necessary
- Passion for local flowers, community engagement, and seasonal beauty
